

Maths Assessment

This document provides the objectives to be covered in each year group. The objectives should be used to plan from and then to assess against.

The objectives are all in a spreadsheet on class track by term and all the objectives are visible on this format.

The objectives should be used as a formative assessment tool in order to provide an accurate pitch of learning.

They should be used to form success criteria within books and to evaluate marking against.

This is why the objectives are numbered so that you can evidence thi

Pupils can also use the objectives to evaluate against and provide feedback on their learning.

Summative Assessments

Each term pupils will undertake a summative test. This will provide a scaled score to measure progress against. 3 summative tests will be undertaken each year.

The summative will be question-levelled so that strengths and areas for development for each pupil can be determined.

Overall teacher Assessment judgements

During the year the test outcomes and key assessment indicators will be combined to make a judgement on the pupils

This will then be imputed into otrack each term.
